

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I am very concerned about the consolidation of media ownership. I want to hear LOCAL voices on my radio, not the same deejays and announcers wherever I go in this country. And removal of ownership limits will seriously damage the media's oversight role in our society. Please DON'T scale back the regulations protecting media diversity! Thank you.
